CIP Number	Project Title		FY 2005 Amount	Total Project Cost	Description
33-066.0	Annual Allocation - Opticom Emergency Vehicle Preemption System	\$	13,425	\$ 13,425	The total project cost for annual allocation projects is reflective of the Fiscal Year 2005 budget only. In addition, annual allocations do not show prior year appropriations in the budget.
33-093.0	Fire Station #1 - Downtown Asbestos Removal and Renovation	\$	1,580,548	\$ 3,867,655	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-081.0	Fire Station #12 - Lincoln Park	\$	1,744,938	\$ 4,654,811	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-080.0	Fire Station #17 - Mid-City	\$	2,568,503	\$ 5,320,888	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-090.0	Fire Station #2 - Central Mission Valley	\$	4,010,847	\$ 7,321,116	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-102.0	Fire Station #22 - Point Loma Reconstruction	\$	498,424	\$ 4,553,535	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-103.0	Fire Station #29 - San Ysidro	\$	-	\$ 5,587,386	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-088.0	Fire Station #31 - Del Cerro Relocation and New Construction	\$	2,064,454	\$ 4,252,898	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-089.0	Fire Station #32 - Skyline	\$	302,296	\$ 4,805,517	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-099.0	Fire Station #46 - Black Mountain Ranch/Torrey Highlands	\$	-	\$ 3,514,050	This project has been completed and the fire station was put into operation on January 17, 2004.

Summary of Project Changes

San Diego Fire-Rescue

Fire

CIP Number	Project Title	FY 2005 Amount	Total Project Cost	Description
33-105.0	Fire Station #47 - Pacific Highlands Ranch	\$ 5,723,000	\$ 7,436,000	This revision provides for changes as a result of funding availability. The developer, Pardee, has advanced \$5,000,000 to this project for Fiscal Year 2005 and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment under the terms of a reimbursement agreement. Total project funding, cost and schedule reflect the most recent Pacific Highlands Ranch Public Facilities Financing Plan.
33-106.0	Fire Station #48 - Black Mountain Ranch North	\$ -	\$ 4,800,000	No major changes are anticipated for this project.
33-086.0	Fire Station #49 - Otay Mesa and Otay Mesa/Nestor	\$ 925,000	\$ 5,600,000	Project budget reflects estimates revised in March 2004.
33-104.0	Fire Station #5 - Hillcrest	\$ 2,804,161	\$ 5,320,524	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-091.0	Fire Station #54 - Paradise Hills	\$ 1,774,932	\$ 5,748,323	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-108.0	Fire Station #8 - Mission Hills	\$ -	\$ -	This project is complete.
33-098.0	Fire Station Major Component Replacement and Rehabilitation	\$ 1,496,536	\$ 4,200,000	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-069.0	Kearny Mesa Maintenance and Materiel Complex	\$ 146,989	\$ 612,532	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-112.0	Regional Public Safety Training Institute/Police and Fire Training Facility	\$ -	\$ 80,000	This project, which provides for the City's proposed Regional Police and Fire Training Facility (Regional Public Safety Training Institute [PSTI]) in the Camp Nimitz area of the former Naval Training Center, has now been combined with CIP 36-064.0 to better track Fire-Rescue and Police Department contributions. The Fire-Rescue Department contributed \$80,000 toward initial design of the facility in Fiscal Year 2003.

Fire Subtotal \$ 25,654,053

San Diego Fire-Rescue

Lifeguard Services

CIP Number	Project Title		FY 2005 Amount	Total Project Cost	Description
29-494.0	Children's Pool - Lifeguard Station and Restroom Improvements	\$	83,742	\$ 1,091,873	Formerly shown in Park and Recreation's Capital Improvements Program, project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-505.0	La Jolla Cove Lifeguard Station	\$	255,670	\$ 736,882	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-503.0	La Jolla Shores Lifeguard Station	\$	930,450	\$ 2,180,446	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-508.0	Lifeguard Headquarters and Boating Safety Unit Dock	\$	-	\$ 9,400,000	This project is being deferred due to lack of funds. The total project increased to \$9,400,000 to reflect additional construction cost requirements for this facility.
33-507.0	Mission Beach Lifeguard Station	\$	248,028	\$ 350,100	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-502.0	North Pacific Beach Lifeguard Station	\$	190,258	\$ 2,541,037	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
33-506.0	Ocean Beach Lifeguard Station	\$	-	\$ 654,691	This project is being deferred due to lack of funds.
33-509.0	Old Mission Beach Lifeguard Station	\$	-	\$ 5,131,833	This project is being deferred due to lack of funds. The total project increased to \$5,131,833 to reflect additional construction cost requirements for this facility.
29-473.0	Pacific Beach Lifeguard Tower and Grand Avenue Restroom	\$	-	\$ 4,583,526	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003. This project was formerly shown in Park and Recreation's Capital Improvements Program.
33-504.0	South Mission Beach Lifeguard Station	\$	1,316,479	\$ 2,737,452	Project budget reflects the Fire-Rescue Facilities Financing estimates revised in November 2003.
Lifeguard Services Subtotal		\$	3,024,627		
Subtotal for San Diego Fire-Rescue		\$	28,678,680		
Total for San Diego Fire-Rescue		\$	28,678,680		

** A project that is in italics indicates that the project contains phased funding. The department subtotal includes phase-funded amounts; the department total excludes phase-funded amounts.*

Unfunded Needs List

San Diego Fire-Rescue

Fire

CIP Number	Project Title	Funding Required in FY2005-2006	Funding Required in FY2007-2015	Description
33-066.0	Annual Allocation - Opticom Emergency Vehicle Preemption System	\$ 50,000	\$ 450,000	This project would provide for retrofitting signalized intersections with Opticom Emergency Vehicle Preemption System equipment. Currently, there is only \$13,425 in Fiscal Year 2005 TransNet Commercial Paper allocated to this project.
33-110.0	Fire Station #13 - La Jolla	\$ 3,835,000	\$ -	This project would provide for reconstructing the undersized fire station in La Jolla.
33-107.0	Fire Station #21 - Pacific Beach	\$ 200,000	\$ -	This project provides for the rehabilitation and expansion of the Pacific Beach fire station located at 750 Grand Avenue. It is to include structural repairs and expansion to accommodate staffing up to ten personnel. Remodeling and repairs are scheduled to begin in Fiscal Year 2006, contingent upon identification of funding.
33-116.0	Fire Station #28 - Relocation Fire Helicopter Support and Repair Facility	\$ 679,189	\$ 12,509,362	This project provides for the relocation of the existing station, currently located at 3880 Kearny Villa Road. This fire station was built in 1958 and is too small and outdated to accommodate the growing needs of this community.
33-109.0	Fire Station #36 - Clairemont	\$ 1,050,000	\$ -	This project would provide for a major renovaton of the Clairemont Fire Station and construct a modern self-contained breathing apparatus repair building.
33-059.0	Fire Station #39 - Relocation and Construction	\$ -	\$ 7,627,255	This project would provide for the relocation of the existing station, currently located at 4949 La Cuenta Drive. This fire station is too small and outdated to accommodate the growing needs of this community.
33-101.0	Fire Station #45 - Pacific Beach Inland	\$ 1,000,000	\$ 5,615,000	This project provides for a new fire station at an unidentified location to serve the communities of Mission Valley, Linda Vista and Old San Diego; it also will provide for one engine and a staff of four. This new facility would improve the number of demand zones that could be reached within six minutes.
33-086.0	Fire Station #49 - Otay Mesa and Otay Mesa/Nestor	\$ 115,200	\$ -	Approximately \$115,200 is needed in Fiscal Year 2006 to finish this project.

Unfunded Needs List

San Diego Fire-Rescue

Fire

CIP Number	Project Title	Funding Required in FY2005-2006	Funding Required in FY2007-2015	Description
33-111.0	Fire Station #55 - North Park/Golden Hill	\$ 2,000,000	\$ 2,000,000	This project would provide for a new station in the Southern Greater North Park and Greater Golden Hill communities (formerly numbered Fire Station #47).

Fire Subtotal \$ 8,929,389 \$ 28,201,617

San Diego Fire-Rescue

Lifeguard Services

CIP Number	Project Title	Funding Required in FY2005-2006	Funding Required in FY2007-2015	Description
33-508.0	Lifeguard Headquarters and Boating Safety Unit Dock	\$ 1,700,000	\$ 7,700,000	This project would provide for the replacement of the Lifeguard Headquarters and Boating Safety Unit Dock located at 2581 Quivira Court. The replacement facility will house 36 lifeguards, including 24-hour staff, administrative and training staff, mechanics, operation yard and storage for the rescue fleet. The existing facility and dock were constructed in 1956 and are inadequate to accommodate staff and equipment. The \$9.4 million in funding needed for these improvements is currently unidentified.
33-506.0	Ocean Beach Lifeguard Station	\$ 99,578	\$ 555,113	This project provides for improving the existing Ocean Beach Station located at 1950 Abbott Street. The facility will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a garage for rescue vehicles and emergency equipment. The existing facility consists of a station constructed in 1980. Since that time, the beach has become a very popular area for swimming and surfing. The station is inadequate to accommodate staff and equipment.
33-509.0	Old Mission Beach Lifeguard Station	\$ 1,756,833	\$ 3,375,000	This project would provide for a lifeguard station at Old Mission Beach. Funds are needed for land acquisition, design and construction in the area. The existing seasonal facility is inadequate to accommodate staff and equipment.

Fire

33-066.0 Annual Allocation - Opticom Emergency Vehicle Preemption System

Council District: Citywide **Community Plan:** Citywide

Description: This annual allocation provides for retrofitting signalized intersections with Opticom Emergency Vehicle Preemption System equipment.

Justification: The Opticom Emergency Vehicle Preemption System (EVPS) is utilized by both San Diego Fire-Rescue and paramedic units. It is installed at 900 intersections throughout the City and provides for safer and faster responses by emergency vehicles along the major signal-controlled streets. Providing emergency vehicles with the capability to command the green light eliminates the risk of accidents inherent in proceeding through a red light. It allows emergency vehicles to proceed at a constant rate of speed. This promotes safety because it allows emergency vehicles to clear the intersection under a green light condition, rather than against a red light.

Operating Budget Effect: None.

Relationship to General and Community Plans: This project is in conformance with the City's Progress Guide and General Plan.

Scheduling: This project was initially funded in Fiscal Year 1978. It is planned to retrofit 20-40 intersections per year, as funding permits, until all major streets are equipped with Opticom.

Fire

33-093.0 Fire Station #1 - Downtown Asbestos Removal and Renovation

Council District: 2

Community Plan: Uptown, Centre City

Description: This project will provide for asbestos removal, dormitory remodel and a new exhaust extraction system. This station is located at 1222 First Avenue, downtown. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: This 29-year-old fire station is in need of asbestos removal and renovation of the living quarters.

Operating Budget Effect: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Preliminary design and engineering were scheduled to begin in Fiscal Year 2004. Construction is scheduled to begin in Fiscal Year 2006. This schedule is contingent upon the approval of the second bond issuance.

33-081.0 Fire Station #12 - Lincoln Park

Council District: 4

Community Plan: Southeastern San Diego

Description: This project will provide for the reconstruction of the fire station, located at 4964 Imperial Avenue in Lincoln Park. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

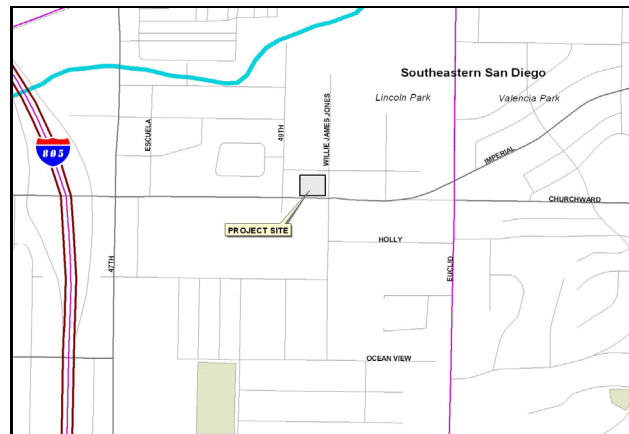

Justification: This 51-year-old station has been remodeled, expanded three times, and is currently overcrowded. A total reconstruction is necessary to assure adequate housing of the eleven crew members assigned to this station.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs, which is accommodated within the Fire-Rescue Department's Fiscal Year 2005 maintenance budget. See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: The project is under construction. The station is scheduled to be completed in Fiscal Year 2005.

33-080.0 Fire Station #17 - Mid-City

Council District: 3

Community Plan: Mid-City

Description: This project provides for reconstructing the 50-year-old fire station at 4206 Chamoune Avenue in the Mid-City area. The station will accommodate up to six personnel, one fire apparatus and one paramedic unit. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

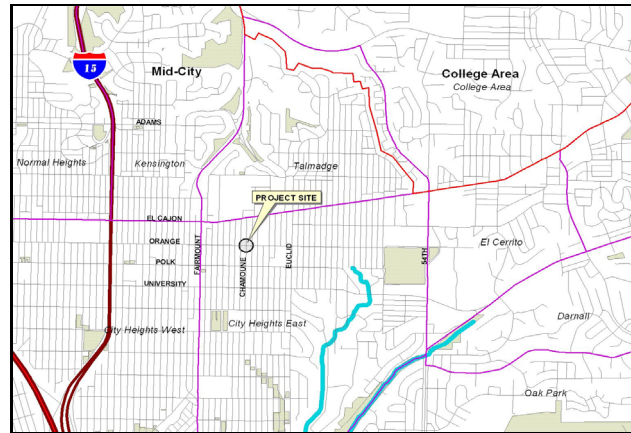

Justification: This is the sixth busiest engine company in the United States. The present station has been in continuous service for the last 35 years and is in a state of deterioration.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

Relationship to General and Community Plans: This station is consistent with council policy to provide six minute response times to all residential areas. It is consistent with the Mid-City Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Design was scheduled for Fiscal Year 2004. Construction is scheduled for Fiscal Year 2006. This schedule is contingent upon the approval of the second bond issuance.

33-090.0 Fire Station #2 - Central Mission Valley

Council District: 6

Community Plan: Mission Valley

Description: This project provides for a new station in central Mission Valley. This station will be a combined station serving both east and west Mission Valley. The station will accommodate up to 17 personnel, two pumpers, one aerial truck, two hazardous material (HAZMAT) apparatus, one paramedic ambulance and one Battalion Chief vehicle. In addition, this project will provide for a mini-park adjacent to Fire Station #2. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

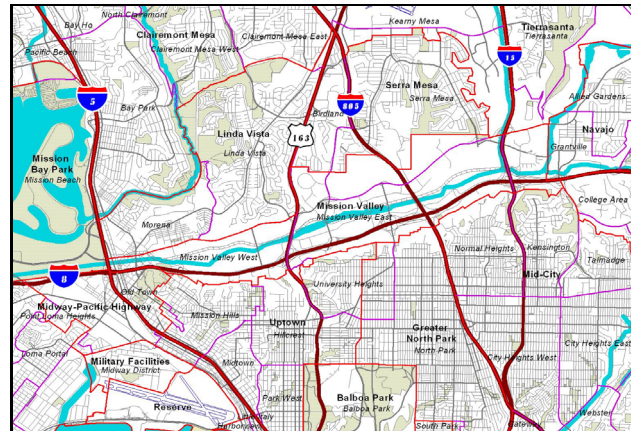

Justification: A fire station is needed in the central Mission Valley area in order to meet response time guidelines.

Operating Budget Effect: See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is in conformance with the City's Progress Guide and General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to the implementation of this project.

Scheduling: Design was scheduled for completion in Fiscal Year 2004. Construction is scheduled to begin in Fiscal Year 2006 and the facility will be completed and operational in Fiscal Year 2007. This schedule is contingent upon the approval of the second bond issuance.

33-102.0 Fire Station #22 - Point Loma Reconstruction

Council District: 2

Community Plan: Peninsula

Description: This project, located at 1055 Catalina Boulevard, provides for the expansion of Fire Station #22 in Point Loma. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

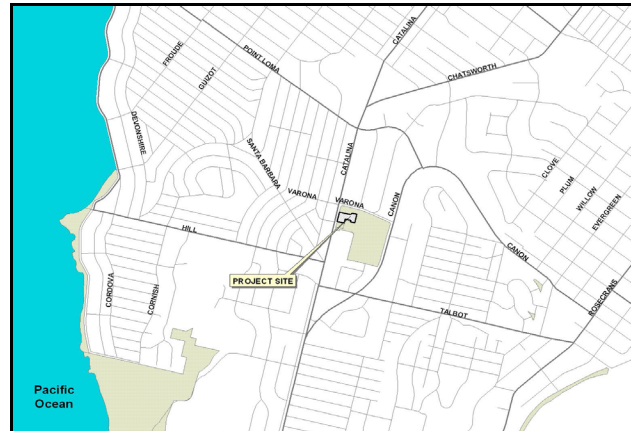

Justification: The existing fire station was built in the early 1940s and is now too small to accommodate new fire engines.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: The project design is scheduled for completion in Fiscal Year 2005. Construction is scheduled to begin in Fiscal Year 2006. This schedule is contingent upon the approval of the second bond issuance.

33-103.0 Fire Station #29 - San Ysidro

Council District: 8

Community Plan: San Ysidro

Description: This project will provide for a new 9,809 square-foot fire station. The new station will be built across the street from the existing station located at 179 West San Ysidro Boulevard. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: This 36-year-old station will be replaced to house the necessary equipment for the district. Currently, fire apparatus are "stacked" with one engine parked behind the ambulance. The station, originally built for eight personnel, is currently housing ten personnel.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs, which is accommodated within the Fire-Rescue Department's Fiscal Year 2005 maintenance budget. See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan, and it is in conformance with the City's Progress Guide and General Plan.

Scheduling: This project is under construction. The station is scheduled to be completed in Fiscal Year 2005.

Fire

33-088.0 Fire Station #31 - Del Cerro Relocation and New Construction

Council District: 7

Community Plan: Navajo

Description: This project will provide for the reconstruction of the fire station, located at 6002 Camino Rico, in the Navajo/Del Cerro Community. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

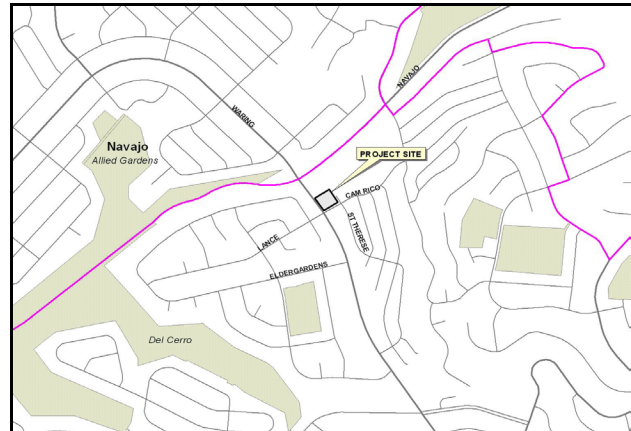

Justification: This 40-year-old station needs to be reconstructed due to structural degradation caused by settlement and poor soil conditions.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs, which is accommodated within the Fire-Rescue Department's Fiscal Year 2005 maintenance budget. See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: This project is under construction. The station is scheduled to be completed in Fiscal Year 2005.

Fire

33-089.0 Fire Station #32 - Skyline

Council District: 4

Community Plan: Skyline/Paradise Hills

Description: This station, located at 484 Briarwood Road, will be relocated to an area north of the present site to serve the growing community better and to accommodate six to eight persons and three bays for fire apparatus. This station will be constructed in conjunction with the construction of Fire Station #54 in Paradise Hills. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

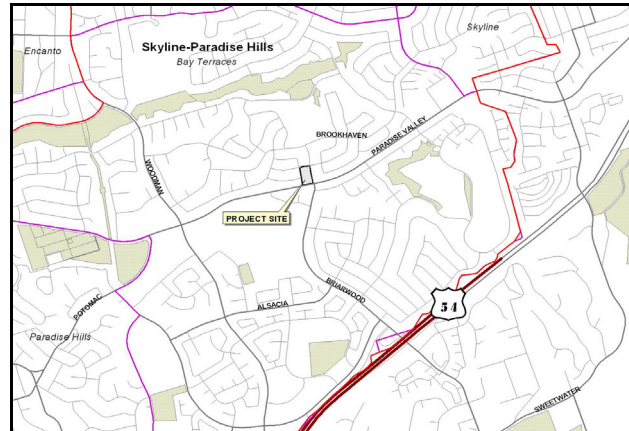

Justification: This 39-year-old fire station is too small to accommodate the increased staffing levels needed for the growing community.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Land acquisition is in progress. Design is scheduled to begin in Fiscal Year 2005. Construction is scheduled to begin in Fiscal Year 2006. The station is scheduled to be completed in Fiscal Year 2008.

Fire

33-105.0 Fire Station #47 - Pacific Highlands Ranch

Council District: 1

Community Plan: Pacific Highlands Ranch, Del Mar Mesa, Black Mountain Ranch

Description: This project provides for a 10,000 square-foot fire station to serve the Pacific Highlands Ranch community. This station will have one engine, one aerial truck, and a Battalion Chief vehicle.

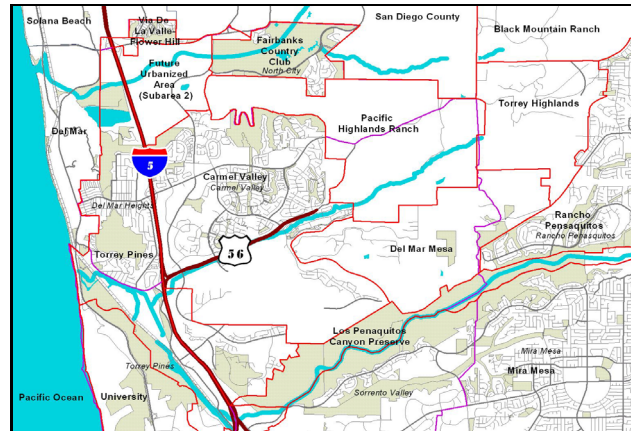

Justification: This is the second of three fire stations that will be required to provide fire protection to the North City Planned Urbanizing Area.

Operating Budget Effect: See Operating Budget Effect Table.

Relationship to General and Community Plans: This is consistent with council policy to provide six minute response times to all residential areas. It is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Land acquisition and design are scheduled to begin in Fiscal Year 2005. Construction and apparatus acquisition are scheduled to begin in Fiscal Year 2006.

Fire

33-086.0 Fire Station #49 - Otay Mesa and Otay Mesa/Nestor

Council District: 8

Community Plan: Otay Mesa, Otay Mesa/Nestor, San Ysidro

Description: This project was formerly titled Fire Station #6 - Otay Mesa and Otay Mesa/Nestor. This project provides for a 10,000 square-foot fire station to serve the Otay Mesa and Otay Mesa/Nestor communities. It will be located near the intersection of Palm Avenue and Del Sol Boulevard and will serve the community in addition to Fire Station #6 located at 693 Twining Avenue. It will accommodate one engine, a paramedic ambulance, and specialized apparatus to fight wildland fires.

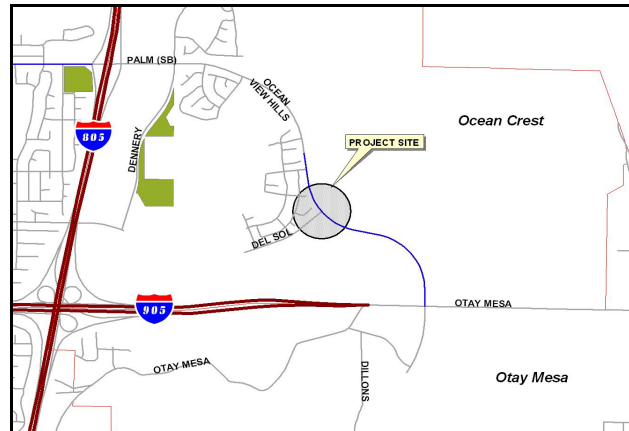

Justification: A second fire station is needed to serve the Otay Mesa community. It is consistent with City Council policy to provide six-minute response times to all residential areas. Funding is included in the Otay Mesa Public Facilities Financing Plan.

Operating Budget Effect: See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Land acquisition is in process. Design is scheduled to begin in Fiscal Year 2005. Construction, furnishings and apparatus acquisition are scheduled in Fiscal Years 2006 and 2007. This station is scheduled to be operational in Fiscal Year 2008. This schedule is contingent upon the rate of development and fees collected in the community.

Fire

33-104.0 Fire Station #5 - Hillcrest

Council District: 3

Community Plan: Uptown

Description: This project provides for a 10,200 square-foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new modern fire station. This station will house a crew of eight and one Battalion Chief. It will accommodate one engine, one aerial truck, and Battalion Chief vehicle. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: The current station is 48 years old. It is too small to accommodate a new style pumper and the larger type of aerial ladder truck.

Operating Budget Effect: The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

Relationship to General and Community Plans: The project is consistent with the Hillcrest Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Design is scheduled for completion in Fiscal Year 2005. Construction is scheduled to begin in Fiscal Year 2006 and the station is expected to be operational in Fiscal Year 2007. This schedule is contingent upon the approval of the second bond issuance.

33-091.0 Fire Station #54 - Paradise Hills

Council District: 4

Community Plan: Skyline/Paradise Hills

Description: This project would provide a new station in the Paradise Hills area to serve the Paradise Hills/South Bay Terrace area of San Diego. This station will be constructed in conjunction with the relocation of Fire Station #32, Skyline/Paradise Hills. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

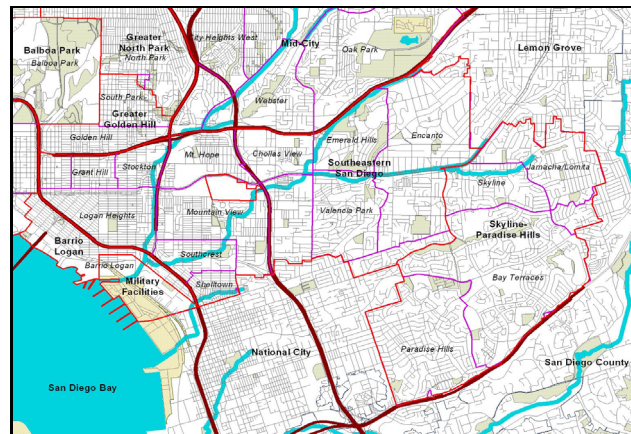

Justification: This station will better serve the growing community and decrease response times in the area.

Operating Budget Effect: See Operating Budget Effect Table.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Land acquisition and design are scheduled to begin in Fiscal Year 2005. Construction is scheduled to start in Fiscal Year 2007 and completion of the project is estimated in Fiscal Year 2009. This schedule is contingent upon the approval of the second bond issuance.

Fire

33-098.0 Fire Station Major Component Replacement and Rehabilitation

Council District: Citywide **Community Plan:** Citywide

Description: This project provides for the replacement and/or rehabilitation of major structural and construction components in older fire facilities throughout the City. Included are components such as emergency electrical generators, electrical service upgrades, roll-up doors, heating/ventilation/air conditioning systems, roofs, dormitory remodels, kitchen remodels, vehicle exhaust systems, driveway and parking paving, exterior finishes and landscape renovations. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

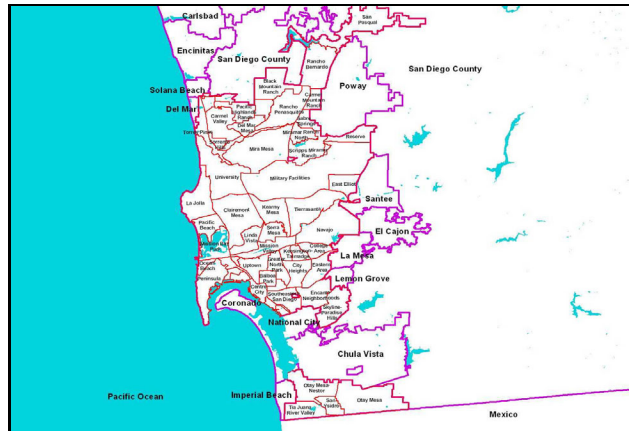

Justification: The San Diego Fire-Rescue Department currently maintains 50 fire facilities. Over half of these facilities have been in service more than 25 years. Many of the major components have exceeded their expected service life and must be replaced. The needs of modern technology and a diversified work force also require changes in fire facility configuration, heating/ventilation/air conditioning (HVAC) systems distribution and energy capacity.

Operating Budget Effect: None.

Relationship to General and Community Plans: This project is in conformance with the City's Progress Guide and General Plan.

Scheduling: This project is scheduled to be completed in Fiscal Year 2007. This schedule is contingent upon the approval of the second bond issuance.

33-069.0 Kearny Mesa Maintenance and Materiel Complex

Council District: 6

Community Plan: Kearny Mesa

Description: This project provides for the repair and upgrade of the San Diego Fire-Rescue Department's Apparatus Repair Facility at 3870 Kearny Villa Road. This will include the repair of the main building which consists of structural repairs, an additional building for apparatus repairs, parking lot repairs, hoist replacement, new generator and a new security system. This is one of twelve projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

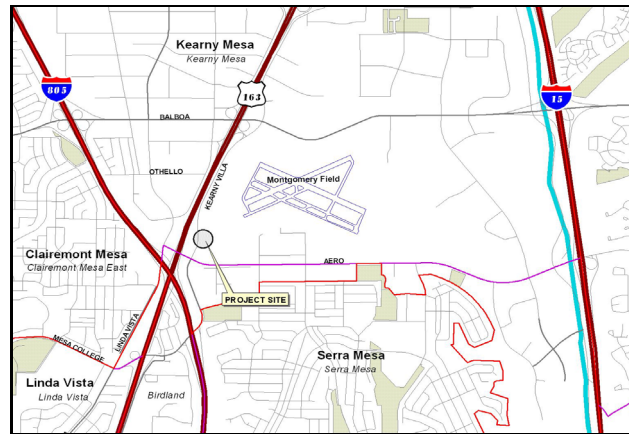

Justification: This is a 34-year-old facility that has not been upgraded to accommodate the new modern types of apparatus and the increased size of the fleet.

Operating Budget Effect: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Design, refurbishment, and construction are scheduled to begin in Fiscal Year 2006. This schedule is contingent upon the approval of the second bond issuance.

33-505.0 La Jolla Cove Lifeguard Station

Council District: 1

Community Plan: La Jolla

Description: This project provides for the La Jolla Cove Station, located at 100 Coast Boulevard, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, and locker room/restroom areas for males and females. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility consists of a station constructed in the 1950s and an observation tower added in 1980. It is inadequate to accommodate staff or provide adequate water safety protection.

Operating Budget Effect: The operating budget effect is estimated to be minimal.

Relationship to General and Community Plans: The project is consistent with the La Jolla Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Construction is scheduled to be completed in Fiscal Year 2006. This schedule is contingent upon the approval of the second bond issuance.

Council District: 2

Community Plan: Pacific Beach

Description: This project provides for the North Pacific Beach Lifeguard Station located at the foot of Chalcedony Street, which will be a year-round facility replacing the current seasonal station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a garage for rescue vehicles and emergency equipment. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The current seasonal facility is inadequate to provide adequate water safety protection to the public.

Operating Budget Effect: The operating budget effect is estimated to be minimal.

Relationship to General and Community Plans: The project is consistent with the Pacific Beach Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Construction is scheduled to be completed in Fiscal Year 2007. This schedule is contingent upon the approval of the second bond issuance.

29-473.0 Pacific Beach Lifeguard Tower and Grand Avenue Restroom

Council District: 2

Community Plan: Pacific Beach

Description: This project provides for studying siting options and design for a permanent lifeguard tower and restroom/changing room facility, demolishing the existing 1968 combination structure, and constructing replacement facilities, either together or separately, on the Pacific Beach oceanfront. This project is consolidated with CIP 33-501.0, South Pacific Beach Lifeguard Station. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Project approved by the City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Justification: This combination facility was constructed at the foot of Grand Avenue in Pacific Beach in 1968 and is deteriorated, undersized, and not compliant with the Americans with Disabilities Act (ADA). The garage is undersized to fit modern lifeguard vehicles.

Operating Budget Effect: The operating budget effect is estimated to be minimal.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: This project is under construction and is scheduled to be completed in Fiscal Year 2005.

Lifeguard Services

33-504.0 South Mission Beach Lifeguard Station

Council District: 2

Community Plan: Mission Beach

Description: This project provides for the South Mission Beach Station located at 700 North Jetty Road, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a garage for rescue vehicles and emergency equipment. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility was constructed in 1974 and was intended to be a temporary lifeguard station. It is inadequate to accommodate staff or to provide adequate water safety protection.

Operating Budget Effect: The operating budget effect is estimated to be minimal.

Relationship to General and Community Plans: The project is consistent with the Mission Beach Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Construction is scheduled to be completed in Fiscal Year 2006. This schedule is contingent upon the approval of the second bond issuance.
